## 10/25/2013 FirstNet Board Meeting

During today's FirstNet Board special meeting (conducted by phone), the Board adopted two resolutions regarding:

- (1) selection of locations for FirstNet offices, including its headquarters (Northern Virginia) and technical offices (Boulder, CO), as well as areas for ten regional offices; and
- (2) extension of the period for negotiations of spectrum lease agreements with certain BTOP public safety grant recipients.

Below are links to those resolutions and other documents and statements from today's meeting.
